WEDNESDAY				
COURSE	COPE	FL Board - Optometry	TX Board - Optometry	SC Board - Optometry
Scleral Lens Education Society: Advanced Scleral Lens Workshop: Taking it to the next level	93678-CL	20-1259926	20-1259926	
Keratoconus: Clear Vision Ahead. From Diagnosis to Management	94683-CL	20-1264040	20-1264040	
Scleral and Corneal GP MF Fitting Workshop	93700-CL	20-1261321	20-1261321	
Unconventional Applications of Scleral Lenses	93718-CL	20-1261325	20-1261325	

THURSDAY				
COURSE	COPE	FL Board - Optometry	TX Board - Optometry	SC Board - Optometry
25 Years of Silicone Hydrogels—What Did We Learn in Specialty Lenses	95343-CL	20-1271372	20-1271372	
Contact Lenses—Beyond Vision Correction	95160-CL	20-1269779	20-1269779	
Specialty Contact Lens Fitting for Post Surgical Corneas	93509-CL	20-1251920	20-1251920	
'Elephant in the Room' - Refine the Knowns and Unknowns of Myopia Management	93508-CL	20-1261683	20-1261683	
The Great Debate: What to fit this patient with?	93615-CL	20-1261689	20-1261689	
Neurotrophic Keratitis: Past, present, and Future Treatment Options	93630-TD	20-1261692	20-1261692	
Corneal topography: Setting the Foundation for Specialty Lenses	94684-CL	20-1271453	20-1271453	
Preserving Vision and Function: Exploring the intersection of Glaucoma Management and Scleral Lens Wear	93631-CL	20-1262103	20-1262103	
'Elephant in the Room' - Refine the Knowns and Unknowns of Myopia Management	93508-CL	20-1261683	20-1261683	
The Great Debate: What to fit this patient with?	93615-CL	20-1261689	20-1261689	
Incorporating Advanced Dry Eye Technology in Specialty Contact Lens Practices	93632-TD	20-1262109	20-1262109	
Understanding Customizable Orthokeratology Lens Design and Function for Better Myopia Control	93635-CL	20-1262308	20-1262308	
Part I - The Future is Now: Precision Contact Lens Practice	95173-CL	20-1271628	20-1271628	
Part II - The Future is Now: Specialty Lenses with Special Optics	95174-CL	20-1271668	20-1271668	

CE Course Codes

As of Jan. 8, 2025 • COPE Activity ID: 129903

FRIDAY				
COURSE	COPE	FL Board - Optometry	TX Board - Optometry	SC Board - Optometry
Myth vs. Reality: Emerging Technologies for Myopia Control	95175-GO	20-1271667	20-1271667	
Navigating the Terrain of the Eyelid and Conjunctiva in Scleral Lens Fitting	93638-CL	20-1264052	20-1264052	
Fitting and Troubleshooting Corneal G.P. Contact Lenses for Irregular Corneas	93673-CL	20-1262325	20-1262325	
Pushing Boundaries: Out of the Box Myopia Control Contact Lens Cases	93640-CL	20-1262353	20-1262353	
Contact Lens Care and Compliance Update	93641-CL	20-1262373	20-1262373	
The Crossroads of Presbyopia - Bringing Innovation to Clinical Practice	94686-CL	20-1271712	20-1271712	
2025 Global Specialty Lens Symposium: Poster Session 1	95181-CL	20-1272564	20-1272564	
GSL2025: Rapid Fire Posters	95436-CL	20-1272604	20-1272604	
Debilitating Ocular Surface Disease; Deciphering the Origins and Managing the Eye and Body	95344-TD		20-1273215	

SATURDAY				
COURSE	COPE	FL Board - Optometry	TX Board - Optometry	SC Board - Optometry
GSL2025: Free Papers	95185-CL	20-1271719	20-1271719	
2025 Global Specialty Lens Symposium: Poster Session 2	95184-CL	20-1272570	20-1272570	
Hold em or Fold them: The High Stakes in Geriatric Patients and Contact Lenses	93649-CL	20-1264075	20-1264075	
The Ideal Scleral Lens Fit	93660-CL	20-1262395	20-1262395	
Therapeutic Contact Lenses in Pediatric Ophthalmology	93670-CL	20-1262379	20-1262379	
Contact Lens Care and Compliance Update	93641-CL	20-1262373	20-1262373	
Scleral Lenses...The First 15 Years (2010 to the Present)	95176-CL	20-1271752	20-1271752
