

2025 Medical & Health Symposium

Professional engineers & surveyors

Registered professional engineers and professional surveyors must comply with Ohio Revised Code section 4733.151. Continuing Professional Development (CPD) hours shall be relevant to the practice of engineering or surveying and must include technical, ethical, or managerial material. Please refer to the Ohio State Board of Engineers and Surveyors to find guidance on the Continued Professional Development (CPD) requirements, acceptable hours, and attendance documentation to determine eligible. Engineers and Surveyors must complete the necessary steps in accordance with Ohio Revised Code section 4733.151 to determine which BWC Medical & Health Symposium courses apply.
