Please join us for a fun evening of networking and learning!

Where: Holiday Inn Plainview
When: Thursday June 13, 2024

Time: 6:00-7:00 PM Registration and Exhibits
7:00-9:00 PM Lecture/Q & A
Buffet dinner with non-alcoholic beverages served throughout event.

Objectives: At the completion of the lecture the participant will be able to:

- Identify the key challenges associated with transitioning patients from hospital-based nutrition support to the home care setting including discharge logistics and insurance considerations

- Discuss the unique considerations and potential complications involved in assessing and managing long term nutrition support patients including micronutrient status, nutritional adequacy and optimizing patient well-being.

- Describe practical limitations and potential barriers associated with home nutrition support including equipment and supply management, caregiver training and the role of interdisciplinary collaboration in overcoming these challenges.

** CPEU (2) - applied for Dietitians
