

Brave New World: Empowering and Transforming Health Centers to Grow Their Own

Breakout Session D: Workforce Plans

BIO:

Nataly Diaz, MBA (2022), Assistant Director of Workforce Development, California Primary Care Association

Nataly Diaz is passionate about creating a robust and diverse healthcare workforce that is responsive to and reflective of the many unique communities that exist across our country. As the Assistant Director of Workforce Development at the California Primary Care Association, she has designed and implemented initiatives that have fostered pipeline partnerships, expanded community-based training, and removed barriers inhibiting provider recruitment and retention in community health centers. Nataly earned her B.A. in Human Biology and Society with a minor in Public Health from the University of California, Los Angeles and is a M.B.A. Candidate at the University of California, Davis Graduate School of Management.

Workforce Plans

Discussion

- 1 What strategy is your PCA/HCCN implementing to support the development of CHC comprehensive work plans?
- 2 What challenges do you foresee while implementing these training and technical assistance opportunities?
- 3 What support does your PCA/HCCN need?
