

Justice, Equity, Diversity and Inclusion: Digging Deeper on the Implications for Health Center Governance

February 16, 2022

Audience Participation

Chat
(use to talk with peers)

The screenshot displays a virtual meeting interface. On the left, there are two windows: a 'Chat' window and a 'Polling' window. The 'Chat' window shows messages from participants like Brian Long, James Henskel, and Laura Wiggins. The 'Polling' window shows a poll question: '#1.) What is your biggest business writing challenge? (NO RIGHT ANSWER - OPEN QUESTION)'. The poll results are: Conclusion (45%), Grammar and/or Types (20%), Content Structure (10%), Tone (16%), and Other (0%). In the center, a video feed shows a man speaking. On the right, a presentation slide is visible with the title 'UDS Reporting: Preparing, Doing, and Utilizing' and the subtitle 'Cultivating Health Center Operations'. The slide also features the CURIS logo and SkillPath branding. At the bottom of the interface, there are navigation options like 'Request Support', 'Session', 'Support', 'Profile', 'Options', and 'Windows', along with a 'Digitell' logo.

Polling/Q&A
(participate in polls, ask questions to faculty)

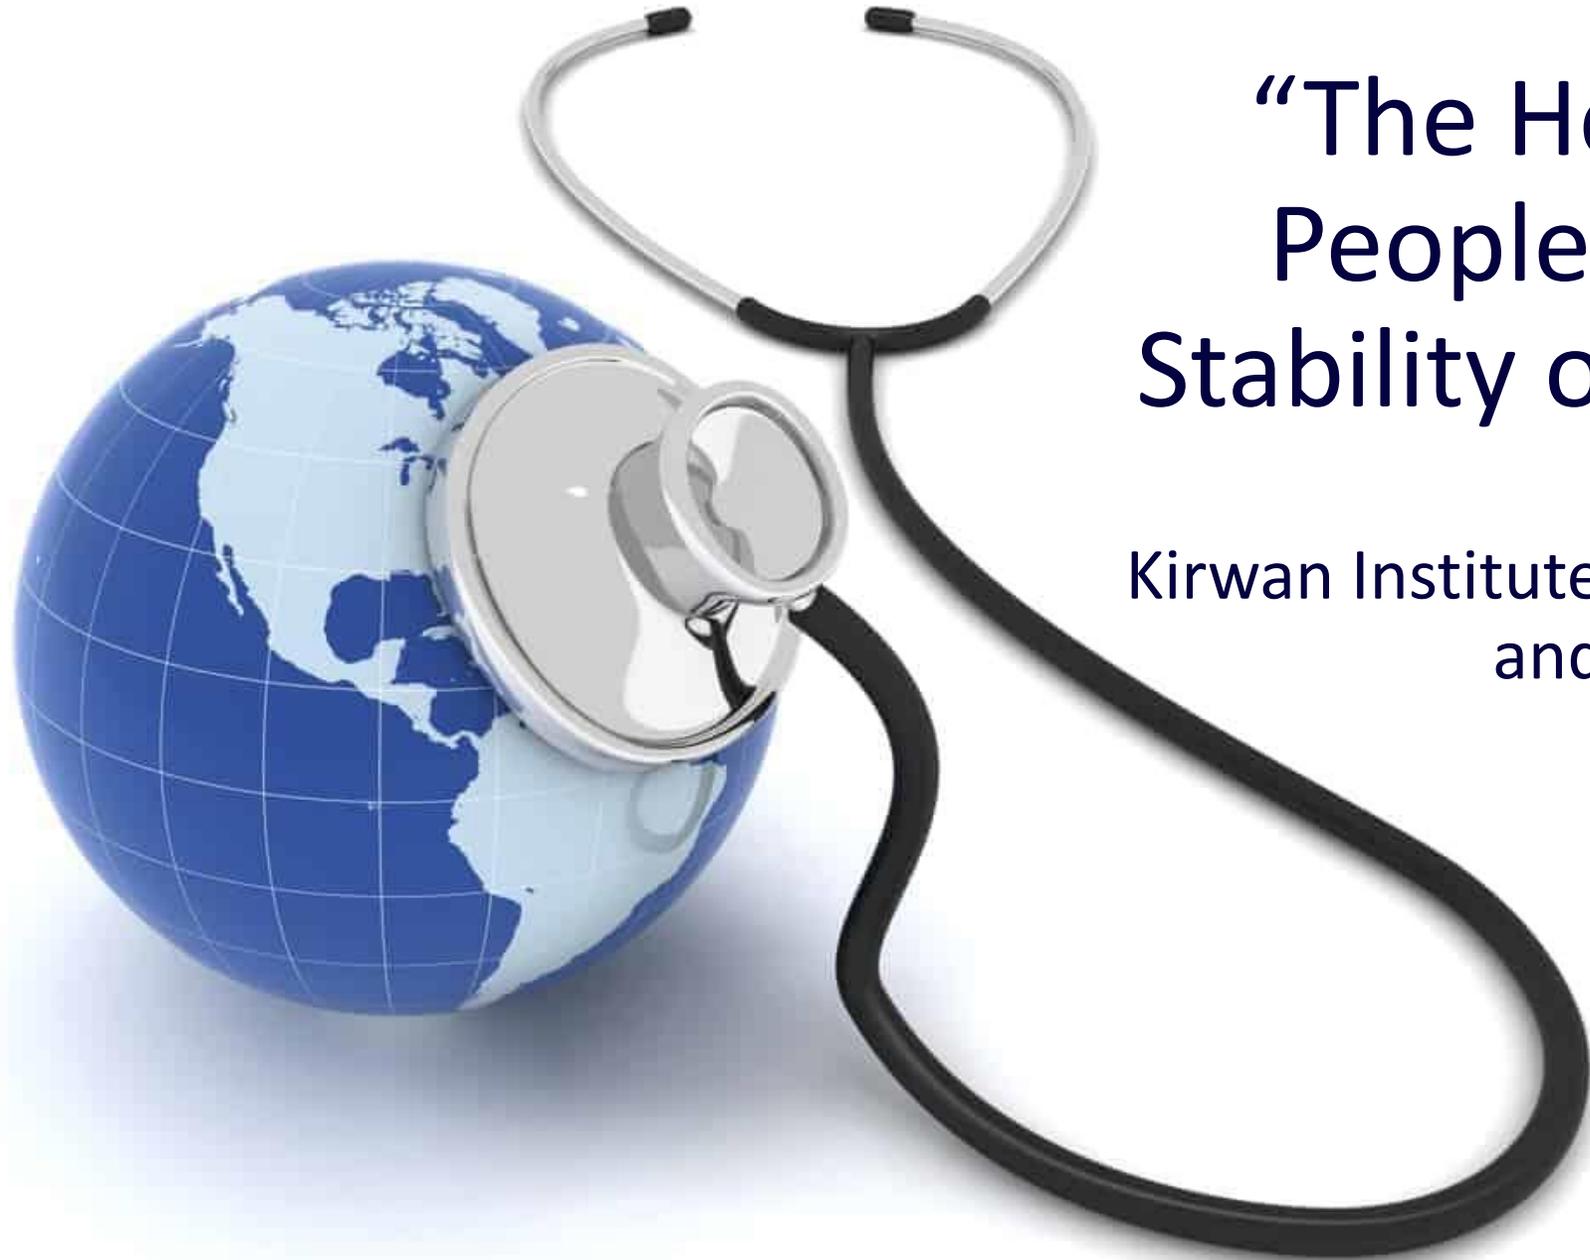

Vernetta Walker, J.D.

- CEO, Vernetta Walker & Associates Consulting, Inc.
- Lecturer, Columbia University (Governance & DEI)
- Board Member

Other Experience:

- Chief Governance Officer & Sr. Advisor on DEI, BoardSource
- Associate General Counsel, Maryland Nonprofits
- Program Officer, Florida Bar Foundation

**“The Health of the
People Equals the
Stability of the Nation.”**

**Kirwan Institute for the Study of Race
and Ethnicity**

Achieving the systemic change needed to bring about greater health equity will take commitment, effort, and time and will need to be supported by coordinated shifts in policies, practices, and funding.

Jody Levison-Johnson

THE NACHC MISSION

America's Voice for Community Health Care

The National Association of Community Health Centers (NACHC) was founded in 1971 to promote efficient, high quality, comprehensive health care that is accessible, culturally and linguistically competent, community directed, and patient centered for all.

Agenda

Strategies for Impact through JEDI and Governance

- Action Steps
- Pain Points and Resistance
- Applying an Equity Lens

Leadership Alignment

GETTING STARTED

Equity

The guarantee of fair treatment, access, opportunity, and advancement.

Diversity

The myriad ways in which people differ.

Inclusion

Authentically bringing traditionally excluded individuals and/or groups into processes, activities, and decision/policy making in a way that shares power.

Health Equity

Attainment of the highest level of health for all people.

Racial Justice

Systematic fair treatment of people of all races.

Articulate the “Vision” and Commitments

- Don't assume everyone is on the same page.
- Incorporate JEDI topics into every agenda.
- Discuss and align on what it would take to achieve the vision.

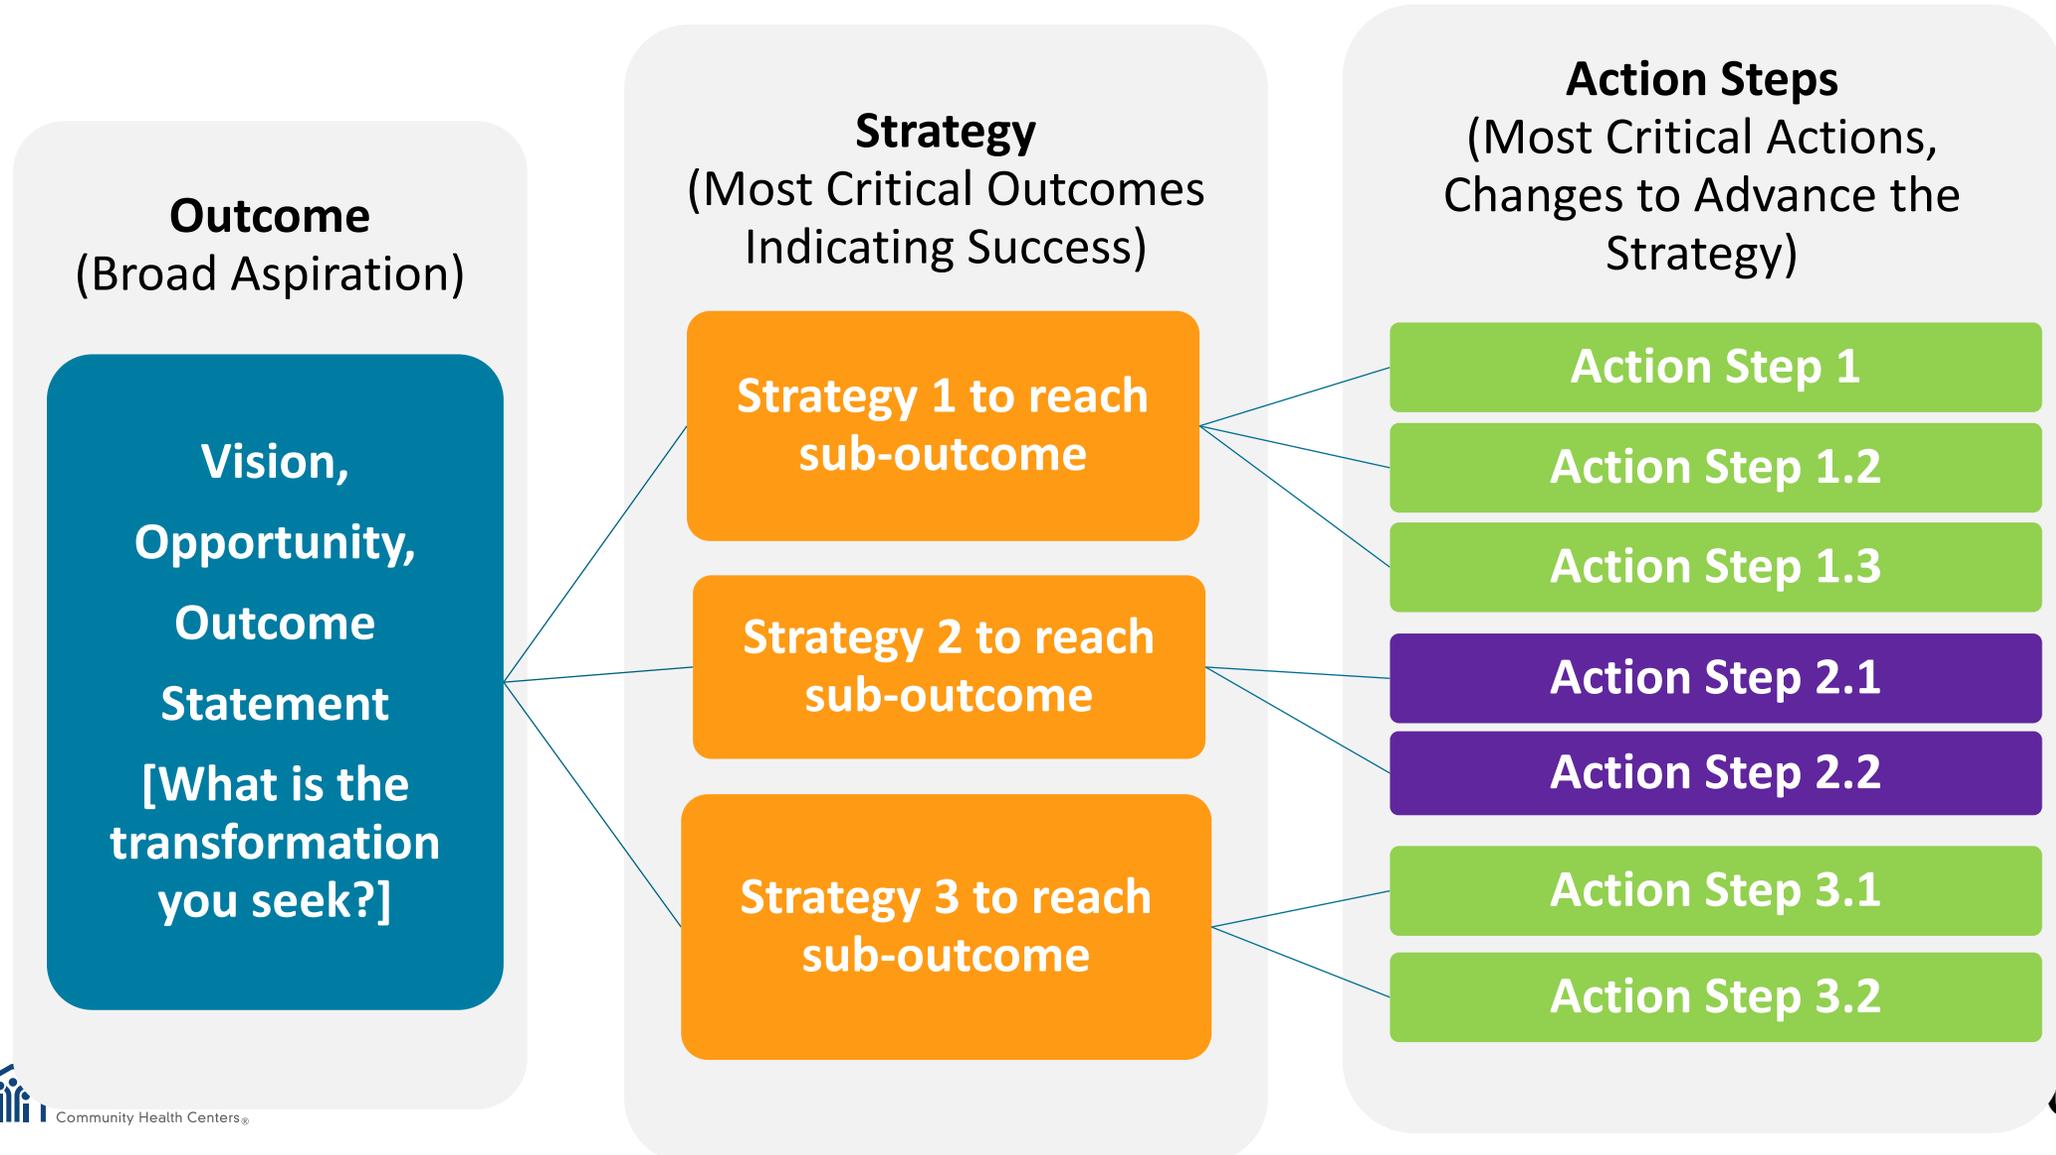

Lowell Community Health Center Board Resolution

Committed to combatting racism through:

- Data equity, transparency & accountability that expands our understanding
- Cultural competency and anti-racism education
- Equitable organizational policies, procedures, and practices
- Community involvement in service and program design
- Advocacy for policies that improve the health of racial and ethnic minorities

Strategize

BEWARE OF RESISTANCE

- **This ‘ism isn’t the only problem’ game**
- **The ‘distinguished lecturer’ game**
- **The ‘instant solution’ game**
- **The ‘target expert’ game**
- **Others?**

Use Data, Evaluate & Share Progress

- Audit internal processes and procedures, purchasing decisions, vendors, contractors, etc. for equity and inclusion
- Include JEDI metrics in evaluations, planning and service assessments
- Develop an equity impact assessment tool to guide planning and decision-making

Example

**COVID-19
VACCINATION
EQUITY REPORT**
July 02, 2021
Week 21 Summary

Source: <https://www.lchealth.org/about-us/equity-inclusion>

Deepening Impact Through DEI + Governance

- Focus on enhancing clinical quality outcomes for patients experiencing the most significant health disparities
- Evaluate organizational policies with an equity lens
- Set the expectation of diverse racial representation at all levels of the organization
- Approve a CEO Succession Policy that specifies that when a CEO transition occurs, the board is committed to recruiting from a diverse candidate pool
- Reflect JEDI priorities in the CEO's goals

Apply Equity Lens Broadly

Communications
Leadership
Advocacy
Practices
Services
Vendors
Policies
Culture

Equity Sequence Questions

1. Was *this* designed with equity in mind?
2. Who was *this* designed by, for, with, without?
3. Who benefits from *this* and who is disadvantaged?
4. How can *this* be effectively transformed to reduce bias and inequity?
5. What opportunities does *this* offer to create greater equity and equality?

Road Map

VERNETTA WALKER
& ASSOCIATES CONSULTING, INC

Take Action:

Developing an inclusive and equitable organization takes work at the individual, leadership and organizational levels, to dismantle systemic barriers and lead with authenticity.

Examine:

- Policies and Practices
- Organization Culture
- Communications
- Staff & Board Composition
- Community Collaborations
- Access

Resources for Health Center Boards

NACHC has over 50 resources (including many in Spanish) to support health center boards addressing:

- Governance Fundamentals, including board roles, board recruitment and orientation, board meetings, CEO succession planning
- Overall Health Care Environment & Governance, including many resources on COVID-19 Response and Recovery
- Strategic Planning and Thinking
- Justice, Diversity, Equity, and Inclusion
- And much more!

Short Videos and E-learning Modules are available to support new board member orientation and ongoing board education.
