# SPS National Learning Session

Fall 2021 Logistics

Children's Hospitals'  
Solutions for  
Patient Safety  
Every patient. Every day.

## Target Audience

All members of SPS hospitals are welcome to attend. SPS is not limiting the number of attendees from each hospital. Each individual planning to attend from your hospital (even those who may only attend one session) must register themselves. Below is a list of roles to consider sending from your hospital:

- Ambulatory Leaders and Staff focused on safety (**NEW!**)
- CEOs/Top Pediatric Leaders
- Clinical Unit Staff/Safety Coaches
- Employee/Staff Safety (ESS) Champions/Leaders
- Hospital Acquired Condition (HAC) Champions/Leaders (especially those for CLABSI, PI and UE)
- Hospital Microsystem Leaders
- Quality and Safety Leaders

## Registration & Digitell

The network is continuing with the virtual event platform Digitell! The platform allows us to provide attendees with a learning session event site where you'll be able to:

- connect with your team members and other attendees
- design your schedule by building a custom itinerary
- virtually view posters and vote for the people's choice award
- easily navigate in and out of sessions all within the event site

We will be providing educational materials leading up to the event so attendees are comfortable utilizing all features of the platform.

### How to Register

To ensure you've successfully registered for the event, please follow the steps detailed below.

1. Navigate to the [registration page](#)
2. Create an account with Digitell on our SPS National Learning Session event site. *If you attended the spring National Learning Session, you must log in with your existing Digitell credentials.* (This will be used later on to log in for the event and is not associated with SPS SharePoint.)
3. Continue filling out the registration form
4. Confirm registration (Please disregard the cost table. This is a no cost event.)
5. You will receive a registration confirmation email once registration is complete (You'll also see a checkmark next your registration tab once finished. *Please note, this email may deliver to your spam folder. Reach out to [support@digitellinc.com](mailto:support@digitellinc.com) if you do not receive.*)

**Our registration process with Digitell does not allow for one person to register multiple attendees. We ask that you forward the registration link to any persons from your hospital who will be attending. Every attendee will need to create their own account so they can successfully login day of the event.**

If you have any questions, please reach out to [ochsps@cchmc.org](mailto:ochsps@cchmc.org).
