

# SPS FALL 2023 VIRTUAL LEARNING SERIES

## AGENDA AT-A-GLANCE

The SPS Fall 2023 Virtual Learning Series "Evolving Safety: Building Upon Our Safety Foundation" will take place over five, two-hour sessions throughout October and November.

### SERIES OBJECTIVES

**Why:** Understand the value of building upon our safety foundation in order to eliminate serious harm in all children's hospitals.

**What:** SPS will highlight the integration of proactive safety practices into the SPS portfolio of work and network hospital's safety culture and share insights regarding the 2025-2030 strategic plan.

**How:** Learn from safety experts from other industries and observe practical examples and early lessons learned from implementing proactive safety interventions in SPS children's hospitals.

### HOW IT WORKS

All members of SPS hospitals are welcome to attend. We encourage participants to [register for the series](#) and mark your calendars for the below dates, more details about topics for each call will be coming soon. Registrants will have access to all five sessions within the learning series.

Sessions will demonstrate the integration of Proactive Safety with SPS priority workstreams, such as Unplanned Extubations, CLABSI, Employee Staff/Safety, Ambulatory Foundations, and Safety Disparities. The series will include safety expert guest speakers from other industries, hospital sharing, panel discussions, and more! Please see the following page for session topics.
