

## **WOCN Society Wound Treatment Associate Program Course Coordinator: Criteria and Responsibilities**

### **Criteria:**

- Current member of the WOCN Society.
- Currently certified in wound care by the Wound, Ostomy and Continence Nursing Certification Board (WOCNCB®) as CWOCN®, CWCN®, CWON®, CWCN-AP® or CWOCN-AP®.

### **Responsibilities:**

1. Recruits participants or assists with recruitment.
2. Provides oversight, guidance, and clarification of course content, and answers participants' questions throughout the course.
3. Conducts review session to prepare for the final exam/clinical case scenarios and clinical competency test.
4. Conducts/oversees the final testing/evaluation of participants' competencies according to established criteria, for the following clinical skills:
  - Performing, calculating and interpreting ABI and monofilament tests.
  - Application of a multilayer, sustained compression wrap.
  - Application of Negative Pressure Wound Therapy (NPWT).
  - Predicting pressure injury risk effectively using the Braden Risk Scale.
  - Identifying wounds.
5. Validates successful completion of the course including final exam and the clinical skills competencies.
6. Counsels participants who do not obtain a passing score on the final exam or skills competency testing; arranges for remediation and repeat examination(s) as indicated.
